NONCOMPLIANCE SUMMARY

Violation of Standard Condition No. 7: "The defendant shall refrain from excessive use of alcohol and shall not purchase, possess, use, distribute, or administer any controlled substance or any paraphernalia related to any controlled substances, except as prescribed by a physician."

Nature of Noncompliance: On December 9, 2022, Samuel Philip Adams was administered a random drug test which tested positive for cannabinoids. Adams admitted to said usage.

U.S. Probation Officer Action: Adams reported to ingesting cannabidiol (CBD) gummies for approximately 2-3 weeks prior to his random drug test. He further admitted he had a lapse in judgement and was able to identify the thinking errors he made at the time. As a controlling strategy, Adams was verbally reprimanded for his non-compliance and was informed he will be subject to increased drug testing. Additionally, Adams will be addressing this violation in his group counseling sessions. It is respectfully recommended no action be taken at this time. Should Adams incur any further violations, the Court will be notified immediately.
